

Push Notes: Leapfrog Love

"Love is patient, love is kind. It does not envy, it does not boast, it is not proud. It does not dishonor others, it is not self-seeking, it is not easily angered, it keeps no record of wrongs."

1 Corinthians 13:4-5

"And so we know and rely on the love God has for us. God is love. Whoever lives in love lives in God, and God in them."

1 John 4:16

My dear brothers and sisters, love is much more than a relationship status. Love is much more than relationship goals.

Be patient. Love yourself patiently. God loves us patiently! You deserve it. Jesus died for love's sake. For love's sake, you were bought with a price.
